

CURRICULUM VITAE

Name: Ami Klin, Ph.D.

Position: Harris Associate Professor of Child Psychology and Psychiatry
Director, Autism Program, Yale Child Study Center

School: Yale University School of Medicine, Yale University

Education: B.A. Psychology, Political Science and History, Hebrew University of Jerusalem, Israel, 1983
Ph.D. Psychology, University of London, UK, 1988

Career/Academic Appointments: (list from earliest to most recent):

- 1989-91 Postdoctoral Fellow in Developmental Psychopathology, Child Study Center, Yale University School of Medicine, New Haven, CT
- 1991-92 Postdoctoral Fellow in Clinical Child Psychology, Child Study Center, Yale University School of Medicine, New Haven, CT
- 1992-93 Instructor in Developmental Psychopathology, Child Study Center, Yale University School of Medicine, New Haven, CT
- 1993-99 Assistant Professor of Child Psychology, Child Study Center, Yale University School of Medicine, New Haven, CT
- 1999-present Associate Professor of Child Psychology & Psychiatry, Child Study Center, Yale University School of Medicine, New Haven, CT
- 1999-present Harris Associate Professor of Child Psychology & Psychiatry, Child Study Center, Yale University School of Medicine, New Haven, CT
- 2002- Yale University Department of Psychology, Secondary Appointment, New Haven, CT
- 2006- Faculty Member, Cognitive Science Program, Yale University, New Haven, CT

Administrative Positions: (list from earliest to most recent):

- 2002-04 Chief of Psychology, Child Study Center, Yale University School of Medicine, New Haven, CT
- 2006-present Director, Autism Program at Yale Child Study Center, Yale University School of Medicine, New Haven, CT

Board Certification:

American Psychological Association and State of Connecticut Department of Public Health, Clinical Psychology, 1992

Professional Honors & Recognition (list from most recent to earliest)

A) International/National/Regional

- 2008 Honorary Member of the Connecticut Academy of Arts & Sciences

- 2008: Researcher of the Year, "Healthcare Heroes", Business New Haven in collaboration with Yale - New Haven Hospital & ConnectiCare
- 2008: Honorary Committee, 2nd Annual "Magic Moments" Event – The Kennedy Center Autism Program, Trumbull, CT
- 2007: Pearl H. Rieger Award for Excellence in Clinical Science, Rush NeuroBehavioral Center, Rush Medical Center, Chicago, IL
- 2007: Honorary Scientific Committee of the 8th International Congress Autism Europe, Oslo, Norway
- 2006: 'You Make the Difference Award' by the Connecticut Autism Spectrum Resource Center, New Haven, CT
- 2006: President of Organizing Committee for International Congress on Autism, Fortaleza, Brazil
- 2006: "Portraits of Inspiration Award", The Asperger's Association of New England
- 2005: Autism Speaks' "Ad Council Advisory Committee"
- 2005: New Jersey Governor's Council for Autism
- 2001: Distinguished Award for Clinical Services and Research, Asperger Syndrome Education Network of America
- 2001: Distinguished Award for Research, Autism Society of America Foundation
- 1992-4: Nominated Fellow to the National Center for Clinical Infant Programs
- 1988: Robert McKenzie Prize for Outstanding Ph.D. Thesis, University of London
- 1988: Ph.D. Distinction, University of London
- 1984-6: Economic and Social Research Council Award, University of London
- 1983-4: Argov Scholarship Award, University of London
- 1980-3: Dean's List of Academic Achievement, Hebrew University of Jerusalem

B) University

- 1992-4: Gesell Scholar, Gesell Institute for Human Development

Grant History: (list from most recent to earliest; cannot exceed % effort devoted to research)

A) Current Grants

Agency: National Institute of Mental Health
 I.D.# R01 MH083727
 Title: "The Ontogeny of Social Visual Engagement in Infants at Risk for Autism"
 P.I.: Ami Klin, PhD
 Percent effort: 30%
 Direct costs per year: \$ 430,000
 Total costs for project period: \$3,547,500
 Project period: 07/01/2008 – 06/30/2013

Agency: The Simons Foundation
 I.D.# Private Foundation Program Project Award
 Title: "Identification of Vulnerabilities for Autism in Infancy"
 P.I.: Ami Klin, PhD
 Percent effort: 15%
 Direct Costs per year: \$1,444,118, \$1,181,540, \$1,239,940
 Total costs for project period: \$ 4,200,000
 Project period: 07/01/2008 – 06/30/2011 (NOA pending)

Agency: The Simons Foundation
 I.D.# Private Foundation Grant
 Title: "Simons Simplex Consortium Genetics Project – Yale Site"
 P.I.: Ami Klin, M.D. (Co-PI Matthew W. State, M.D., Ph.D.)
 Percent effort: 3%
 Direct Costs per year: \$391,671, \$375,000,
 Total costs for project period: \$879,111
 Project period: 10/15/2006 – 03/31/2010 (renewable for additional third year)

Agency: National Institute of Mental Health and National Institute on Deafness and Other Communication Disorders
 I.D.# P50 MH081756-01 (Center Grant, NIH Autism Center of Excellence)
 Title: "Mechanisms of Social Engagement in ASD"
 P.I.: Ami Klin, PhD. and PI Project I, Director Administrative Core and Assessment Core
 Percent effort: 29%
 Direct Costs: \$1,572,567, \$1,573,199, \$1,547,848, \$1,575,685, \$1,573,266
 Total costs for project period: \$12,416,533
 Project period: 04/01/2008 – 03/31/2013

Agency: National Institute of Child Health and Human Development
 I.D.# P01 HD003008-39
 Title: "Autism and Related Disorders: Development and Outcome"
 P.I.: Fred Volkmar, MD
 Role: Co-PI of Grant, PI of Assessment Core, Investigator, Projects 1 & 2
 Percent effort: 18%
 Direct Costs: \$704,800, \$683,201, \$702,979, \$723,349, \$744,331
 Total costs for project period: \$5,768,879
 Project period: 09/03/2006 – 08/31/2011

Agency: National Science Foundation
 I.D.# NSF 0532610
 Title: "Quantitative measures of a social response for autism diagnosis"
 P.I.: Brian Scassellati, PhD
 Role in Project: Co-PI
 Percent effort: 3% Concurrent
 Total costs for project period: \$641,214
 Project period: 11/15/2005 – 10/31/2008

B) Past Grants

Agency: National Institute of Mental Health
 I.D.# U54 MH66494 (Center Grant, NIH Studies to Advance Autism Research and Treatment)
 Title: "The Social Neuroscience of Autism and Related Disorders"
 P.I.: Fred R. Volkmar, MD
 Role on Project: Co-PI Yale STAART, PI Project I, Investigator Projects II & V, Co-Director Administrative Core, Director Assessment Core, PI for Yale STAART competitive extension (07/01/2007 – 12/31/2008)

Percent effort: 30%
 Total costs for project period: \$8,587,720
 Project period: 09/27/2002 – 06/30/2008

Agency: The Simons Foundation
 I.D.# Private Foundation Project Award
 Title: “Establishment of a Model Diagnostic Laboratory for Infants at Risk for Autism”
 P.I.: Ami Klin, PhD
 Percent effort: 15%
 Total costs for project period: \$ 2,576,000
 Project period: 07/01/2004 – 06/30/2008

Agency: National Institute of Mental Health
 I.D.# R01 MH07084
 Title: “The Fusiform and Amygdala in the Pathobiology of Autism”
 P.I.: Robert T. Schultz, PhD (PI Left Yale)
 Role on Project: Investigator
 Percent effort: 5%
 Total costs for project period: \$1,990,000
 Project period: 02/25/2005 – 01/31/2010

Agency: National Institute of Child Health and Human Development
 I.D.# R01 HD42127
 Title: “Eye-tracking Studies of Social Visual Pursuit in Autism”
 P.I.: Ami Klin, PhD
 Percent effort: 30%
 Total costs for project period: \$1,998,285
 Project period: 09/27/2002 – 08/31/2007

Agency: National Alliance for Autism Research
 I.D.# Private Foundation Grant
 Title: “Listening Preferences in Toddlers with Autism: The Playtest as an Early Screening Device”
 P.I.: Ami Klin, Ph.D.
 Percent effort: 20%
 Total costs for project period: \$120,000
 Project period: 07/01/2004 – 12/31/2006

Agency: Maternal & Child Health Bureau
 I.D.# R01
 Title: “Early detection of autism: Comparison of Three Screening Instruments”
 P.I.: Deborah A. Fein, PhD
 Role: Investigator
 Percent effort: 4%
 Total costs for project period: \$282,012 (Yale sub-award only)
 Project period: 09/01/01 – 07/31/05

Agency: Korczak Foundation, the Netherlands
 I.D.# Private Foundation Project Grant
 Title: “Nosology, Neuropsychology and Social Cognition of Autism and Related

Conditions”
P.I.: Ami Klin, PhD
Percent effort: 6%
Total costs for project period: \$ 200,000
Project period: 03/01/2002 – 02/25/2006

Agency: National Institute of Child Health and Human Development
I.D.# P01 HD003008 (Program Project)
Title: “Mental Retardation and Developmental Psychopathology”
P.I.: Fred Volkmar, MD
Role on project: PI Project III, Investigator Project IV
Percent effort: 30%
Total costs for project period: \$4,034,169
Project period: 04/01/2000 – 03/31/2005

Agency: National Alliance for Autism Research
I.D.# Private Foundation Grant
Title: “Mentor-based Post-Doctoral Fellowship in Social Neuroscience” (Melissa Preissler, PhD)
P.I.: Ami Klin, PhD
Percent effort: 5%
Total costs for project period: \$80,000
Project period: 07/01/2003 – 06/30/2005

Agency: Doris Duke Charitable Foundation
I.D.# Private Foundation Grant
Title: “A Humanoid Robot as an Interactive Diagnostic Device in Autism”
P.I.: Brian Scassellati, Ph.D.
Role on the Project: Co-PI
Percent effort: 5%
Total costs for project period: \$90,000
Project period: 07/01/2004 – 06/30/2005

Agency: National Alliance for Autism Research
I.D.# Private Foundation Grant
Title: “Mentor-based Post-Doctoral Fellowship in Social Neuroscience” (Celine Saulnier, PhD)
P.I.: Ami Klin, PhD
Percent effort: 5%
Total costs for project period: \$80,000
Project period: 07/01/2002 – 06/30/2004

Agency: National Alliance for Autism Research
I.D.# Private Foundation Grant
Title: “Studies Of Social Visual Pursuit in Non-Human Primates with Mesiofrontal-Limbic Lesions Previously Shown to Offer a Successful Animal Model of Autism”
P.I.: Co-PI Ami Klin, PhD (Co-PI Jocelyne Bachevalier, PhD)
Percent effort: 5%
Total costs for project period: \$91,730
Project period: 07/01/2001 – 06/30/2003

Agency: National Alliance for Autism Research
 I.D.# Private Foundation Grant
 Title: "Precursors of Joint Attention Skills in Autism and Related Conditions"
 P.I.: Kasia Chawarska, Ph.D.
 Role on Project: Investigator
 Percent effort: 5%
 Total costs for project period: \$ 120,000
 Project period: 07/01/2000 – 06/30/2002

Agency: National Alliance for Autism Research
 I.D.# Private Foundation Grant
 Title: "Visual Scanning Patterns and Mental Representations of Social Interaction in Infants and Toddlers Suspected of having Autism"
 P.I.: Ami Klin, PhD
 Percent effort: 5%
 Total costs for project period: \$97,080
 Project period: 07/01/2000 – 06/30/2002

Agency: National Alliance for Autism Research
 I.D.# Private Foundation Grant
 Title: "Mentor-based Post-Doctoral Fellowship in Social Neuroscience" (The Roland D. Ciaranello, MD Memorial Fellowship in Basic Research)
 P.I.: Ami Klin, PhD
 Percent effort: 5%
 Total costs for project period: \$80,000
 Project period: 07/01/1999 – 06/30/2001

Agency: Korczak Foundation, the Netherlands
 I.D.# Private Foundation Grant
 Title: "Neuroscientific Research in Autism"
 P.I.: Donald J. Cohen, MD
 Role on Project: PI Project I
 Percent effort: 6%
 Total costs for project period: \$ 150,000
 Project period: 04/15/1998 – 03/30/2002

Agency: National Institute of Child Health and Human Development
 I.D.# P01 HD035482 (Program Project, Collaborative Projects of Excellent in Autism)
 Title: "Neurobiology and Genetics of Autism and Related Conditions"
 P.I.: Fred R. Volkmar, MD (Yale CPEA)
 Role on project: Co-PI Project IV, Co-Director Assessment Core
 Percent effort: 23%
 Total costs for project period: \$5,754,109
 Project period: 06/01/1997 – 05/31/2002

Agency: Autism Society of America Foundation
 I.D.# Private Foundation Grant
 Title: "Attributing Meaning to Social Movement in Autism"
 P.I.: Ami Klin, PhD
 Percent effort: 5%

Total costs for project period: \$30,093
 Project period: 07/01/1998 – 06/30/1999

Agency: National Institute of Child Health and Human Development
 I.D.# P01 HD003008
 Title: “Mental Retardation and Developmental Psychopathology”
 P.I.: Donald J. Cohen, MD
 Role on project: Co-PI, Project III
 Percent effort: 25%
 Total costs for project period: \$ 4,345,000
 Project period: 09/15/1992 – 09/14/1999

C) Pending Grants

Agency: National Institute of Mental Health
 I.D.# R01 MH083712
 Title: “Perception of Social and Physical Contingencies in Infants with Autism Spectrum Disorders”
 P.I.: Ami Klin, PhD
 Percent effort: 15%
 Direct costs per year: \$ 250,000
 Total costs for project period: \$ 2,068,750
 Project period: 04/01/2009 – 03/31/2013

Lectures, Courses, Web-based Education: (list from most recent to earliest)

Research Presentations (National and international professional meetings, grand rounds, keynote addresses and invited lectures)

- 2008 Connecticut Academy of Arts and Sciences, New Haven, CT. Invited Presentation: “The emergence of social mind, social brain, and autism”
- 2008 Keynote Address, Le Centre de Formacion et de Recherche Abe Bold, Miriam Foundation, Colloque 2008, Montreal, Canada: “Recherches récentes sur les nourrissons et les tout-petits souffrant de troubles envahissants de developpement”
- 2008 Keynote Address, The Organization for Autism Research, The Sixth Annual Applied Autism Research and Intervention Conference, Arlington, VA: “Social engagement in the first two years of life in autism spectrum disorders”
- 2008 Grand Rounds, Department of Pediatrics, Yale University School of Medicine, New Haven, CT: The first two years of life of children with autism spectrum disorders: new science and new goals”
- 2008 35th Carnegie Symposium on Cognition: Development and Brain Systems in Autism. Carnegie Mellon University, Pittsburgh, PA. Invited Presentation: “Studies of social engagement in the first two years of life in autism spectrum disorders”

- 2008 Simons Foundation Invited Workshop, How can cognitive science inform investigations of the cognitive phenotype in autism? Invited Presentation: New York City, NY: “In search of a biologically relevant phenotype in autism”
- 2008 Yale School of Medicine Reunion Weekend, Yale School of Medicine, New Haven, CT: Invited Scientific Presentation: “Identifying autism in the first year of life”
- 2008: 7th Annual International Meeting for Autism Research (IMFAR), London: “Perception of physical and social contingencies in infants with autism”
- 2008: 7th Annual International Meeting for Autism Research (IMFAR), London: “Altered face scanning and impaired recognition of biological motion in 2-year-olds with autism”
- 2008: STAART Annual Meeting, National Institutes of Health, Bethesda, Maryland: “The Yale STAART: Accomplishments 2003 – 2007”
- 2008: 15th Annual Centers for Autism and Related Disabilities (CARDs) of Florida, Orlando, Florida: Keynote Address: “Looking at and thinking about people: Studies of social engagement in the first 2 years of life in Autism Spectrum Disorders”
- 2007: STEP Science for All series: Autism: What do we know now? National Institutes of Health, Bethesda, Maryland: Invited Presentation: “Autism: science and clinical practice”
- 2007: Scientific address upon receipt of Pearl H. Rieger Award, Rush NeuroBehavioral Center, Rush Medical Center, Chicago, Illinois: “Identifying children with autism in the first 2 years of life”
- 2007: 19th Annual New York Mental Health Symposium, NARSAD, New York City: Invited Presentation: “A potential method of screening for autism in the first months of life”
- 2007: The 8th International Congress Autism – Europe, Oslo, Norway: Keynote Address: “Eye-tracking studies of social engagement in autism spectrum disorders: the formation of the social mind and social brain”
- 2007: International Congress for Autism Research, Mexico City: Invited Presentation: “Eye-tracking studies of social engagement in individuals with autism spectrum disorders: from babyhood to adulthood”
- 2007: Cold Spring Harbor Laboratory workshop for basic scientists. Invited Presentation: Cold Spring Harbor, NY: “Autism Spectrum Disorders: Clinical Science”
- 2007: 6th Annual Meeting, International Meeting for Autism Research (IMFAR), Seattle, Washington: Invited Presentation: “The social neuroscience of autism spectrum disorders”

- 2006: 39th Annual Meeting, International Society for Developmental Psychobiology, and Society for Neuroscience. Atlanta, Georgia: Sackler Symposium, Invited Presentation: “Eye-tracking studies of social engagement in infants and toddlers with autism spectrum disorders”
- 2006: Congresso Internacional de Síndrome de Asperger, Autism Europe and Associação Portuguesa de Síndrome de Asperger. Oporto, Portugal: Keynote Address: “Research on Asperger syndrome: Where are we?”
- 2006: Society of Biological Psychiatry, 61st Annual Scientific Convention & Program, Toronto, Ontario: Invited Presentation: “The social neuroscience of autism”
- 2006: Mayo Clinic College of Medicine, Dana Child Development and Learning Disorders Program, Rochester, Minnesota: Invited Lectures: “Asperger syndrome: Clinical features, assessment and intervention guidelines, and highlights of current research”
- 2006: 2006 Cognitive Science Society Annual Meeting, Vancouver, Canada: “Swimming in the underlying stream: computational models of gaze in a comparative behavioral analysis of autism”
- 2006: Brain Development and Disorders Project, Colloquium Series, Department of Brain and Cognitive Sciences, Massachusetts Institute of Technology, Cambridge, MA: Invited Presentation: “Looking at and thinking about people in individuals with autism through the lifespan: Eye-tracking studies of social visual pursuit”
- 2005: Mind, Brain, Culture, and Consciousness, Whitney Humanities Center at Yale University. New Haven, CT: Invited Presentation: “Social minds: Perspectives from eye-tracking studies with individuals with autism”
- 2005: Annual Scientific Meeting of the NIH Networks for Autism Research (CPEA and STAART). Bethesda, MD: “Eye-tracking studies of looking at and thinking about people in toddlers with autism: Watching a face but not seeing a person?”
- 2005: Montreal Children’s Hospital, McGill University, Montreal, Quebec, Canada: Invited Presentation: “Eye-tracking studies of visual social engagement in autism spectrum disorders: from toddlerhood to adulthood”
- 2005: Distinguished Lecture Series, UC Davis M.I.N.D. Institute, Sacramento, CA: “Eye-tracking studies of social visual pursuit in autism spectrum disorders”
- 2005: UCLA – Autism Affinity Group Lecture Series, Departments of Neurology and Psychiatry, UCLA, Los Angeles, CA: Invited Presentation: “Looking and thinking about people: recent social cognitive research in autism spectrum disorders”
- 2005: NICHD and NAAR High Risk Baby Sibs Research Consortium 2005 Annual Meeting, Rockville, Maryland: “Quantification of social visual pursuit when viewing naturalistic situations using eye-tracking technology”

- 2005: Autism Think Tank: The Neural Basis of Autism. Columbia University and the Simons Foundation. New York City: "Imaging the world through the eyes of individuals with autism: eye-tracking studies of visual social engagement"
- 2005: Grand Rounds, Department of Neuroscience and Department of Psychiatry, University of Florida, Gainesville: "Eye-tracking studies of social engagement in autism and related disorders"
- 2004: Dr. Harry A. Waisman Memorial Lecture, Waisman Institute, University of Wisconsin, Madison, Wisconsin: "Eye-tracking studies of visual engagement in autism spectrum disorders"
- 2004: 25th Annual TEACCH Conference. The Department of Psychiatry, The University of North Carolina at Chapel Hill. Chapel Hill, NC: Invited Presentation: "Understanding circumscribed interests in autism spectrum disorders"
- 2004: Herbert G. Birch Services Seventh Annual New York City Area Conference. New York City: Invited Presentation: "Behavioral and neuroimaging studies of social cognition in autism: Implications to clinical practice and educational strategies"
- 2004: Clinical Luncheon at the Yale University Department of Psychology. New Haven, CT: "From looking at to thinking about people: lessons from autism"
- 2004: Yale University PACE Center grand rounds. New Haven, CT: "Social cognitive studies in autism"
- 2003: Developmental Science and Psychoanalysis: Integration and Innovation. The Yale Child Study Center and the Anna Freud Centre, New Haven, CT: "Social cognition as embodied traces of social inter-action: lessons from autism"
- 2003: Seventh International Autism Europe Congress, Lisbon, Portugal: Keynote Address: "Behavioral and neuroimaging studies of social cognition in autism"
- 2003: American Academy of Child and Adolescent Psychiatry 50th Anniversary Meeting, Miami, Florida: "Research on social behavior in infants with autism"
- 2003: The US Congressional Biomedical Research Caucus. Capitol Hill, Washington, D.C.: Invited Presentation: "Progress in Autism Research"
- 2002: Developmental Luncheon (Grand Rounds) at the Department of Psychology, Yale University, New Haven, Connecticut: "The social mind and the social brain: lessons from autism"
- 2002: Università Degli Studi Di Modena e Regio Emilia, Modena, Italy: Invited Presentation: "Nuovi strumenti di ricerca e di intervento nell'Autismo e nei Disturbi Pervasivi dello Sviluppo"
- 2002: Autismo Italia and Autisme Europe, Conferenza Internazionale in memoria di Donald Cohen, Un Patto Per L'Autismo Fra Istituzioni, Comunita Scientifica e Famiglie. La Sapienza University, Rome: Invited Presentation: "Lo sguardo e il pensiero dell'autismo sugli altri. Aspetti Neurobiologici Dell'Autismo"

- 2001: Third Annual Issues in Autism Conference: The social brain. University of Miami, Center for Autism and Related Disabilities: Invited Presentation: “The Yale eye tracking studies in autism”
- 2001: National Institutes of Child Health and Human Development, Collaborative Projects of Excellence in Autism. New Haven, Connecticut: “Eye-tracking studies of social visual pursuit in autism: viewing naturalistic situations”
- 2001: 5th Annual Conference on Autism. Mount Sinai School of Medicine, New York City: Invited Presentation: “Eye-tracking studies of social cognition in autism”
- 2001: National Alliance for Research Annual Meeting, Ft. Lauderdale, Florida: Invited Presentation: “Studies of the social mind and the social brain: Implications for treatment and intervention”
- 2000: Grand Rounds, Bradley Hospital and Brown School of Medicine. Providence, Rhode Island: “Asperger syndrome: Clinical and research issues”
- 2000: John D. and Catherine T. MacArthur Foundation and James S. McDonnell Foundation, Research Network on Early Experience and Brain Development: Meeting on Face Recognition. New York, NY: Invited Presentation: “Eye tracking studies of social visual pursuit in autism”
- 2000: 6th Annual Current Trends in Autism Conference, The Autism Research Foundation and Massachusetts General Hospital for Children, Danvers, MA: Invited Presentation: “Seeing people and thinking about people: Eye tracking studies in autism and related conditions”
- 2000: National Institutes of Child Health and Human Development, Collaborative Projects of Excellence in Autism. Denver, Colorado: “Looking at people: Eye tracking studies in autism”
- 2000: Congresso Internazionale, L’autismo e i disturbi pervasivi dello sviluppo: nuove conoscenze per nuovi interventi. Fondazione per lo Studio e la Ricerca Sull’ Infanzia e L’Adolescenza. Bologna, Italy: Invited Presentation: “The development of social competence: Precursors and neurobiological underpinnings”
- 1999: National Institute of Child Health and Human Development (NICHD), Network on the Neurobiology and Genetics of Autism: Collaborative Programs of Excellence in Autism. Washington, D.C.: “A paradigm for assessing social cognition: the Social Attribution Task”
- 1999: NIDCD Symposium for Research in Child Language Disorders. Madison, Wisconsin: Invited Presentation: “Linguistic characteristics of individuals with higher functioning autism and Asperger syndrome”
- 1999: Biennial Meeting of the Society for Research in Child Development, Albuquerque, New Mexico: “Understanding the broader phenotype of autism: Behavioral profiles of immediate relatives of individuals with autism and Asperger syndrome”

- 1999: Yale University Child Study Center Conference on Autism, Asperger syndrome and related conditions. New Haven, CT: "Neuropsychology and social cognition in Asperger syndrome: Update on current research"
- 1998: Grand Rounds, Haskins Laboratories, New Haven, Connecticut: "Speech, language and communication disabilities in autism"
- 1998: Clinical and Research Applications of Research on Social Cognition. Center for Autism and Related Disorders, Kennedy-Krieger Institute, Johns Hopkins School of Medicine, Baltimore, Maryland: Invited Presentation: "Social cognition in autism: Behavioral and neuroimaging research"
- 1998: Second Annual Learning Disorders Symposium, The H.E.L.P. Group - U.C.L.A. Neuropsychology Program, Los Angeles: Invited Presentation: "Asperger's Syndrome: Treatment and Intervention"
- 1998: Second Annual Learning Disorders Symposium, The H.E.L.P. Group - U.C.L.A. Neuropsychology Program, Los Angeles: Invited Presentation: "Nonverbal Learning Disabilities and Asperger's Syndrome: Experimental approaches"
- 1998: American Psychological Association 106th Annual Convention, San Francisco, CA: "NLD impact on socialization: Developmental and experimental perspectives"
- 1998: American Psychological Association 106th Annual Convention, San Francisco, CA: "NLD and Asperger's syndrome: Issues for future research"
- 1998: International Neuropsychological Society, Budapest, Hungary: "NLD and Asperger's syndrome: Further evidence of association"
- 1998: The Spectrum of Developmental Disabilities XX. Johns Hopkins University, Baltimore, MD: Invited Presentation: "Asperger's syndrome: Clinical and social cognitive aspects"
- 1998: L'Autismo ed i Disturbi Pervasivi dello Sviluppo in età evolutiva: Incontro tra Famiglie, Servizi e Istituzioni. Modena, Italy: Invited Presentation: "Clinical aspects, social cognitive research, and intervention in autism and related conditions"
- 1998: Modena International Conference on Autism and Pervasive Developmental Disorders. Modena, Italy: Invited Presentation: "Asperger's syndrome and other pervasive developmental disorders"
- 1998: International Association for Child and Adolescent Psychiatry and Allied Professions (IACAPAP), International Conference on Autism and Pervasive Developmental Disorders. Venice, Italy: "Neuropsychological and social cognitive approaches to research on the Pervasive Developmental Disorders"

- 1998: International Academy of Child and Adolescent Psychiatry and Allied Professions (IACAPAP), International Conference on Autism and Pervasive Developmental Disorders. Venice, Italy: "Asperger's syndrome"
- 1997: Autism: Emerging issues in prevalence and etiology, Center for Disease Control and Prevention, Atlanta, Georgia: Invited Presentation: "Operational definition of autism and related conditions for surveillance and epidemiologic purposes"
- 1997: 44th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Toronto, Ontario, Canada: "Asperger's disorder: The utility of broad vs. narrow definitions"
- 1997: 44th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Toronto, Ontario, Canada: "Neuropsychological and social cognitive mechanisms contributing to the social disability in individuals with autism and related conditions"
- 1997: 44th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Toronto, Ontario, Canada: "Asperger's syndrome: Diagnosis and phenomenology"
- 1997: Grand rounds, Institute of Living, Hartford, CT: "Clinical features and current research on Asperger's Syndrome"
- 1997: 34th Annual International Conference of the Learning Disabilities Association of America, Chicago, Illinois: Invited Presentation: "Asperger syndrome: Clinical features and neurobiology"
- 1996: Department of Pediatrics, Yale University School of Medicine, Grand Rounds: "Asperger's Syndrome"
- 1996: Eighth Annual International Conference of CH.A.D.D., Children and Adults with Attention Deficit Disorders, Chicago, Illinois: Invited Presentation: "Severe disorders of socialization: Asperger's Syndrome and other Pervasive Developmental Disorders"
- 1996: 43rd Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Philadelphia, Pennsylvania: "Stoppage rules in the PDDs revisited"
- 1996: 43rd Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Philadelphia, Pennsylvania: "Asperger's syndrome: diagnosis, neuropsychology, neuroimaging, and genetic aspects"
- 1996: 43rd Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Philadelphia, Pennsylvania: "Symposium on diagnostic issues in autism and related conditions"
- 1996: Nineteenth Annual Mid-Year Meeting of the International Neuropsychological Society, Veldhoven, The Netherlands: "A developmental psychopathological model of Asperger Syndrome"

- 1996: Sixteenth Annual Spring Meeting, Division of Psychoanalysis (39), American Psychological Association, New York City: "Asperger syndrome: The inner world experiences of an individual with a neuropsychologically-based social disability"
- 1996: 33rd Annual International Conference of the Learning Disabilities Association of America, Dallas, Texas: Invited Presentation: "Asperger syndrome: Toward an understanding of the condition and improvement of service provision"
- 1995: 42nd Annual Meeting of the American of Child and Adolescent Psychiatry, New Orleans, LA: "Asperger Syndrome: Nosology, Neuropsychology and Current Research"
- 1994: the International Conference of the Learning Disabilities Association of America, Orlando, Florida: Invited Presentation: "Asperger syndrome"
- 1994: Annual Conference of Brazilian Association of Child Neurology and Psychiatry, São Paulo, Brazil: Invited Presentation: "Autism and related disorders"
- 1994: 41st Annual Meeting of the American Academy of Child and Adolescent Psychiatry, New York City: "Childhood Disintegrative Disorder: Differences from 'Early' and 'Late' onset autism"
- 1994: 41st Annual Meeting of the American Academy of Child and Adolescent Psychiatry, New York City: "Asperger syndrome: Clinical and research issues"
- 1994: 41st Annual Meeting of the American Academy of Child and Adolescent Psychiatry, New York City: "Neuropsychological issues in Asperger syndrome"
- 1994: 41st Annual Meeting of the American Academy of Child and Adolescent Psychiatry, New York City: "Eligibility for Birth-to-Three services in a sample of inner-city children"
- 1993: Grand Rounds, Department of Psychology, Yale University, New Haven, CT: "The emergence of a new syndrome: Asperger syndrome"
- 1993: 40th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, San Antonio, Texas: "Asperger syndrome: Diagnosis, neuropsychological aspects, and interventions"
- 1993: 40th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, San Antonio, Texas: "Workshop on childhood schizophrenia"
- 1993: 40th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, San Antonio, Texas: "DSM-IV Autism and Pervasive Developmental disorders Field Trial"
- 1993: 40th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, San Antonio, Texas: "Diagnosis and Assessment of Autism and PDDs"

- 1993: International Neuropsychological Society Twenty-First Annual Meeting, Galveston, Texas: "Higher functioning autism, Asperger syndrome, and Nonverbal Learning Disabilities Syndrome"
- 1993: Eighth Biennial National Training Institute, Zero to Three National Center for Clinical Infant Programs, Washington, D.C.: "Challenges to Researching and Serving Children in Culturally Diverse, High-Risk Families"
- 1993: Biennial Conference of the Society for Research in Child Development, New Orleans, Louisiana: "Autistic social dysfunction: Primary and pervasive"
- 1993: Biennial Conference of the Society for Research in Child Development, New Orleans, Louisiana: "Higher functioning autism, Asperger's syndrome, and Nonverbal Learning Disabilities syndrome"
- 1993: National Center for Clinical Infant Programs, Seattle: "The "Who's Who" of inner-city toddlers: Setting up a home-based early intervention program"
- 1992: The 39th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Washington, D.C.: "Asperger's syndrome, Autism, and Nonverbal Learning Disabilities: Convergence and divergence"
- 1992: The 39th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Washington, D.C.: "Assessment of young children with Autism/PDD"
- 1991: Seventh Biennial National Training Institute of the National Center for Clinical Infant Programs. Washington, D.C.: "Contributions of social context to the young child's reactions to incongruity: The emergent appreciation of metaphor and irony"
- 1991: Biennial Conference of the Society for Research in Child Development, pre-Conference symposium on Theory of Mind in Autism, Seattle: "Social development in autism: Historical and clinical perspectives"
- 1991: Biennial Conference of the Society for Research in Child Development, pre-Conference symposium on Theory of Mind in Autism, Seattle: "Experiencing self and others: A psychoanalytic perspective on Theory of Mind and Autism"
- 1991: Biennial Conference of the Society for Research in Child Development, pre-Conference symposium on Theory of Mind in Autism, Seattle: "Autistic social dysfunction: Some limitations of the Theory of Mind Hypothesis"
- 1990: National Autistic Society meeting on "Experimental Psychology and the Autistic Syndromes". Durham University, England: "Young autistic children's listening preferences in regard to speech"

Clinical Presentations (Invited national and international clinical workshops and community presentations)

- 2008 Shoreline Child Study Group, Guilford Police Building, Guilford, CT: "Awareness of autism in our community"
- 2008 Morristown Memorial Hospital, Morristown, NJ, Pervasive Developmental Disorder, The State-of-the-art Conference: "Asperger Syndrome and Pervasive Developmental Disorder-Not Otherwise Specified: Diagnosis and Assessment"
- 2008 Guilford Community TV, "Public Awareness of Autism" Program, Guilford, CT
- 2008 Le Centre de Formacion et de Recherche Abe Bold, Miriam Foundation, Colloque 2008, Montreal, Canada: "Some priorities for Educational and Treatment Programs for Higher Functioning Individuals with Autism Spectrum Disorders"
- 2008 The Yale Child Study Center Lecture Series at Greenwich Hospital: "Optimizing Outcomes in Autism Spectrum Disorders", Greenwich, CT
- 2008: Inaugural Pennsylvania Autism Training Conference, Pennsylvania Department of Public Welfare: "Differential Diagnosis in Autism Spectrum Disorders and Treatment of Challenging Behaviors", Lancaster, PA
- 2008: Inaugural Pennsylvania Autism Training Conference, Pennsylvania Department of Public Welfare: "Real-Life Skills and Circumscribed Interests in Autism Spectrum Disorders", Lancaster, PA
- 2008: The Southern Connecticut Consortium for Staff Development: "Understanding and treating autism spectrum disorders", Stratford, CT
- 2008: Chapel Haven Annual Parent Meeting: "Lessons from research in autism spectrum disorders: focus on transition and adulthood", New Haven, CT
- 2008: Yale Child Study Center Conference, The Road to Post Secondary Education: What Parents Need to Know to Prepare Students with Autism Spectrum Disorders: "The role of assessment in planning post-secondary education", North Haven, CT
- 2008: UJA-Federation Autism Symposium, From the Lab to the Field: Applying Research on Best Practices in Community-Based Settings, New York City: "Some priorities for educational and treatment programs for individuals with autism spectrum disorders", New York City, NY
- 2008: Wilton Public Schools: "Social development in autism spectrum disorder; and Priorities for educational and treatment programming in the school setting", Wilton, CT
- 2008: The Foundation School, Orange, CT: "Translating research into best practices in the classroom"
- 2008: 15th Annual Centers for Autism and Related Disabilities (CARDs) of Florida, Orlando, Florida: "Some priorities for educational and treatment programs for higher functioning individuals with Autism Spectrum Disorders"

- 2008: Jewish Family & Children's Services, Princeton, New Jersey: "Autism, Asperger's Syndrome and related conditions: Clinical features, assessment, and treatment and interventions"
- 2008: Jewish Family & Children's Services, Princeton, New Jersey: "The two endpoints of Autism Spectrum Disorders: Exciting new developments and new challenges"
- 2007: ARC Greenwich Autism Program and Autism Speaks, Greenwich, CT: "Autism Every Day: The Early Years and Beyond"
- 2007: Ohel Bais Ezra (Children's Home and Family Services), Baruch College, New York City "Implications of current research for the assessment and treatment of individuals with autism spectrum disorders"
- 2007: Yale Child Study Center Conference on Autism in Infants and Young Children: "Research in infants at risk for autism spectrum disorders", New Haven, CT
- 2007: Sheppard Pratt Health System, Baltimore, MD: "Asperger Syndrome through the lifespan: clinical implications of research"
- 2007: Autism Speaks and Clínica Mexicana de Autismo. Universidad Iberoamericana, Mexico City: "Autism Spectrum Disorders: Clinical features, assessment, and treatment interventions"
- 2007: New England Educational Institute. Albany, New York: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2007: Bluegrass Regional Mental Health – Mental Retardation Board, Lexington, Kentucky: "Autism and Asperger syndrome: Advances in understanding and interventions"
- 2007: New England Educational Institute. Jacksonville, Florida: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2007: New England Educational Institute. Orlando, Florida: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2007: New England Educational Institute. Los Angeles, California: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2007: New England Educational Institute. San Francisco, California: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. New Haven, Connecticut: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Suffern, New York: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"

- 2006: New England Educational Institute. Edison, New Jersey: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Louisville, Kentucky: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Saint Louis, Missouri: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Memphis, Tennessee: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New Jersey Psychological Association, Iselin, NJ: "Autism and related conditions: clinical features, assessment, treatment and intervention, and research highlights"
- 2006: Columbus Children's Autism Conference. Children's Hospital, Columbus, Ohio: "Understanding and educating individuals with autism and Asperger syndrome"
- 2006: Columbus Children's Hospital, Columbus, Ohio: "Asperger syndrome: A transition plan into adulthood"
- 2006: National Security Agency, Hanover, Maryland: "Developmental disabilities: transition into adulthood"
- 2006: New England Educational Institute. Burlington, Vermont: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. San Antonio, Texas: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Tulsa, Oklahoma: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Memphis, Tennessee: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Richmond, Virginia: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Minneapolis, Minnesota: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Chicago, Illinois: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: Connecticut General Assembly, State Capitol, Legislative Informational Hearing, Public Health Committee, Hartford, Connecticut: "The needs of adults with autism spectrum disorders without mental retardation"

- 2006: New England Educational Institute. New York, New York: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Baltimore, Maryland: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. St. Louis, Missouri: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2006: New England Educational Institute. Kansas City, Missouri: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2005: New England Educational Institute. Phoenix, Arizona: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2005: New England Educational Institute. Los Angeles, California: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2005: New England Educational Institute. San Diego, California: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2005: New England Educational Institute. Buffalo, New York: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2005: Autism Society of Delaware, Dover, Delaware: "What is Asperger Syndrome?"
- 2005: Delaware Autism Program, Autism Society of Delaware, and Center for Disabilities Studies of University of Delaware, Dover, Delaware: "Asperger syndrome: issues in diagnosis and intervention, a daylong workshop"
- 2005: New England Educational Institute. Portland, Maine: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2005: New England Educational Institute. Danbury, Connecticut: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2005: New England Educational Institute. Chicago, Illinois: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2005: New England Educational Institute. Detroit, Michigan: "Autism and Asperger syndrome: Clinical features, assessment, and treatment/interventions"
- 2005: Benhaven School and Residences, New Haven, Connecticut: "Clinical implications of current social cognitive research on autism spectrum disorders"
- 2005: Annual National Alliance for Autism Research Keynote – Fifteenth Annual Educational Profile of School Age Children with High Functioning Autism, Asperger's Syndrome and other Pervasive Developmental Disorders. Eastern Suffolk BOCES, Holbrook, NY: "What's hot and what's not in the science of autism"

- 2005: Montreal Children's Hospital, McGill University, Montreal, Quebec, Canada: "Asperger syndrome: clinical features and clinical issues"
- 2005: 2005 National Autism Conference, Pennsylvania State University: "Asperger syndrome: Clinical features, assessment, and treatment/intervention"
- 2005: Autismo, Centro Conviver, Curitiba, Brazil: "Importância do Diagnóstico Precoce de Crianças com Autismo" ["The importance of early diagnosis in children with autism"]
- 2005: Simpósio Internacional Diagnóstico e Tratamento do Autismo: Um desafio para o Brasil, Casa da Esperança, Fortaleza, Brazil: "Disfunção do olhar do portador do autismo" ["Seeing in individuals with autism"] and "Teoria da Mente" ["Theory of Mind"] [workshops on implications of social cognitive research to daily work with individuals with autism]
- 2005: Simpósio Internacional, Diagnóstico Precoce de Autismo: Um desafio para o Brasil. Simpósio Internacional Diagnóstico Precoce de Autismo: Desafio para Educação e Saúde. Faculdade de Educação da Pontifícia Universidade Católica, Porto Alegre, Brazil: "Importância do Diagnóstico Precoce de Crianças com Autismo" ["The importance of early diagnosis in children with autism"]
- 2005: Filogênese e Ontogênese do Aprender: uma reflexão. of Mental Retardation, Journal of Child Neurology, Child Neuropsychology, The Bulletin of the Menninger Clinic, Autism, European Child & Adolescent Psychiatry, Israel Journal of Psychiatry, Consciousness & Cognition, Development & Psychopathology, Child Abuse and Neglect, Emotion, Developmental Science, Journal of Speech Language and Hearing Research, Psychiatry Research, Psychological Bulletin, Developmental Psychology, British Journal of Developmental Psychology, Neuropsychology, Autism Research, Current Biology.

Professional Organizations (list from most recent to earliest)

State of Connecticut Department of Mental Retardation

2006-2007 Steering Committee – Services for Individuals with Autism without Mental Retardation

International Society for Autism Research

2005-present Member

American Psychiatric Association

1998-2000 DSM-IV Test Revision Child Work Group, responsibility (with Fred R. Volkmar, MD), for Mental Retardation, Autism and Pervasive Developmental Disorders, and Language Disorders

1993-1994 DSM-IV Field Trials and Text Preparation, responsibility (assisting Fred R. Volkmar, MD) for Pervasive Developmental Disorders and Mental Retardation.

Learning Disabilities Association of America

1995-1997 Coordinated Task Force on Nonverbal Learning Disabilities and Asperger's Syndrome

Society for Research in Child Development

1995-present Member

Meeting Planning/Participation

2007: Chair, State-of-the-art Lecture delivered by Professor Sir Michael Rutter: "Research into autism: accomplishments, puzzles and challenges", The 8th International Congress Autism – Europe, Oslo, Norway

2007: Chair, Symposium on Visual Attention and Perception in Autism Spectrum Disorders, The 8th International Congress Autism – Europe, Oslo, Norway

2007: Chair, Symposium on Emotions and Social Interactions, 6th Annual Meeting, International Meeting for Autism Research (IMFAR), Seattle, Washington

2005-2009 International Meeting for Autism Research (IMFAR), Abstract Selection Committee

1999: Chair, Symposium on Social-Emotional and Language Abilities in Nonretarded Children with Autism: Etiologic and Interpersonal Implications Biennial Meeting of the Society for Research in Child Development, Albuquerque, New Mexico

1993: Chair, Symposium on Adaptive Behavior, Theory of Mind, and Emotional Understanding in Autism, Biennial Conference of the Society for Research in Child Development, New Orleans, Louisiana

- 1992: Chair, Symposium on Preschool Developmental Disabilities: Diagnosis and Outcome, Learning Disabilities Association of America International Conference. Atlanta, Georgia

Yale University Service (list from most recent to earliest)

Medical School Committee

- 2005-2006 Directorship of the Yale Child Study Center, Liaison Committee, Yale University School of Medicine

Departmental Committees

- 2008 Chair, Assistant Professorship Search Committee (Clinical Psychology), Yale Child Study Center, Yale University School of Medicine
- 2008 Assistant Professorship Search Committee (Child Psychiatry), Yale Child Study Center, Yale University School of Medicine
- 2008 Associate Professorship Search Committee (Developmental Neuroimaging), Yale Child Study Center, Yale University School of Medicine
- 2007 Business Manager Search Committee, Yale Child Study Center, Yale University School of Medicine
- 2007 Professorship Search Committee (Communication Disorders), Yale Child Study Center, Yale University School of Medicine
- 2003 Assistant Professorship Search Committee, (Developmental Disabilities and Infancy), Yale Child Study Center, Yale University School of Medicine
- 2003 Assistant Professorship Search Committee, (Child Development and Social Policy), Yale Child Study Center, Yale University School of Medicine

University Teaching Commitments

- 2005-2006 Yale New Haven Hospital, Pediatric Dentistry Residents, Module on Autism and related disorders.
- 2004-present Yale Child Study Center, Child Psychiatry Residents I, Module on Autism and related disorders.
- 2002-present Yale College: Psychology 350a – Autism and related disorders: Seminar and Practicum
- 2002-present Yale Child Study Center and Department of Psychiatry, Yale School of Medicine, Psychiatry Residents II (PGY-II), Module on Autism and related disorders
- 2001-present Course Director, Yale Child Study Center, NIMH, Yale STAART (Studies to Advance Autism Research and Treatment) Summer Training in Autism Yale New Haven Hospital, Pediatric Dentistry, Module on Autism and related disorders.
- 2000-present Yale University School of Medicine, 2nd Year Medical Students (YMS-II) Clinical Psychiatry Module: Module on autism and related disorders and on intellectual disabilities.

Public Service

- 2005-present Autism Speaks, Ad Council Advisory Board

2005-present	Chapel Haven, Transition into Independent Adulthood Program
2004-present	New Roads High School, Santa Monica, California
2004-present	MAAP Services for Autism and Asperger Syndrome
2004-present	Berkshire Center for Independent Living
2003-present	Advocates for Individuals with High Functioning Autism, Asperger's syndrome and other Pervasive Developmental Disorders
2002-present	CT Autism Spectrum Resource Center
2002-present	Friends of Autistic People
1997-present	ASPEN (Asperger Syndrome Education Network, Inc.)
1997-present	Calvin Hill Day Care Center
1997-2002	ASC-U.S., Inc. (Asperger Syndrome Coalition of the United States)
