

## CURRICULUM VITAE

**NAME:** Richard J. Antaya, M.D.

**SCHOOL ASSIGNMENT:** School of Medicine

**BORN:** May 11, 1963, Hartford, CT

**EDUCATION:**

B.S., Rensselaer Polytechnic Institute, 1981-85

M.D., Tufts University School of Medicine, 1985-89

**CAREER:**

1989-90 Intern, Pediatrics - Tripler Army Medical Center, Honolulu, HI  
1990-92 Resident, Pediatrics - Tripler Army Medical Center, Honolulu, HI  
1992-95 Staff Pediatrician, Bayne-Jones Army Hospital (BJACH), Fort Polk, LA  
1992-93 Chief, Pediatric Service, BJACH, Fort Polk, LA  
1993 Assistant Director, Multi-specialty Clinic, BJACH  
1993-95 Chief, Department of Medicine, BJACH, Fort Polk, LA  
(internal medicine, pediatrics and dermatology)  
1995-98 Resident, Dermatology - Duke University Medical Center, Durham, NC  
1997-98 Dermatology Consultant, John Umstead State Psychiatric Hospital, Butner, NC  
1997-98 Chief Resident, Division of Dermatology, Duke Univ. Medical Center, Durham, NC  
1998-99 Instructor of Dermatology and Pediatrics, Yale University, New Haven, CT  
1998- Director, Pediatric Dermatology; Yale School of Medicine  
1999- Assistant Professor of Dermatology and Pediatrics (and Nursing, 2004), Yale  
University School of Medicine, New Haven, CT  
2000- Medical Director, Yale Dermatology Associates (Faculty Practice)  
2004- Assistant Professor, Yale University School of Nursing  
2005- Associate Professor of Dermatology and Pediatrics, Yale University School of  
Medicine, New Haven, CT  
2005- Associate Professor, Yale University School of Nursing

**BOARD CERTIFICATION:**

National Board of Medical Examiners, 1990

American Board of Pediatrics, 1992, (recertification: 1999, 2006)

American Board of Dermatology, 1998 (recertification: 2007)

American Board of Dermatology, Subspecialty in Pediatric Dermatology (2004)

## **PROFESSIONAL HONORS OR RECOGNITION:**

1989 AOA, Tufts University School of Medicine  
1984 AED, National Premedical Honor Society, Rensselaer Polytechnic Institute  
1981 Williams College Book Award  
1981 National Honor Society  
1981 Kopplemann Scholar  
1986-89 Health Professions Scholarship (United States Army)  
2000 National Registry of Who's Who, life member  
2001 Best Doctors in America  
2002 Top Doctors (Dermatology)  
1989- American Academy of Pediatrics, fellow  
2008 Executive Committee member, Section in Dermatology  
1995- American Academy of Dermatology, fellow  
1995- Society for Pediatric Dermatology, fellow  
2005- Member, International Relations Committee  
2006- Member, Strategic Planning Retreat, San Francisco, CA  
2006- Chair, Task Force for Pediatric Dermatology Manpower  
1998- Connecticut Dermatology and Dermatologic Surgery Society, fellow  
Member, Speakers Committee  
1999- New England Dermatological Society, fellow  
2004- International Society for Pediatric Dermatology, fellow  
2005-06 Best Doctors in America  
2006 Connecticut Magazine Top Docs (Dermatology)  
2007-08 Best Doctors in America  
2008 Connecticut Magazine Top Docs (Dermatology), received most votes in CT  
2008- Editorial Board, Case Reports in Dermatology  
2009 Connecticut Magazine Top Docs (Dermatology)

### **(B)**

2003 Top Doctors Connecticut (Dermatology)  
2005-06 Best Doctors in America  
2007-08 Best Doctors in America

## **GRANT HISTORY (CLINICAL TRIALS) FOR LAST 5 YEARS:**

### **CLINICAL TRIALS**

1999-2001 Fujisawa Healthcare, Inc. Protocol 99-0-054. An open-label study to evaluate the safety of topically applied tacrolimus ointment for the treatment of atopic dermatitis. Yale Children's Clinical Research Unit. Richard Antaya, MD, Principal Investigator

- 2002-2003 Pfizer –A0561015 A Randomized, Partially Double-Blind, Multicenter Trial Comparing the Efficacy and Safety of Diflucan® (fluconazole) for 3 Weeks Versus Diflucan® for 6 Weeks Versus Grifulvin V® (griseofulvin) for 6 Weeks Given Once Daily to Pediatric Patients with Tinea Capitis. Yale Children’s Clinical Research Center. Richard Antaya, MD, Principal Investigator
- 2002-2003 Fujisawa Healthcare, Inc. Protocol 20-02-005. A Randomized, Investigator Blinded, Study Of Protopic® (Tacrolimus) Ointment vs. Elidel® (Pimecrolimus) Cream In Pediatric Patients With Moderate To Severe Atopic Dermatitis Phase IV. Yale Children’s Clinical Research Center and Yale Dermatology Associates, PC. Richard Antaya, MD, Principal Investigator
- 2002-2004 Fujisawa Healthcare, Inc. Protocol 20-02-006. Randomized, Investigator Blinded, Study Of Tacrolimus (Protopic®) Ointment vs. Pimecrolimus (Elidel®) Cream In Pediatric Patients With Mild Atopic Dermatitis Phase IV. Yale Children’s Clinical Research Center and Yale Dermatology Associates, PC. Richard Antaya, MD, Principal Investigator.
- 2004-2005 3M Pharmaceuticals. 1494-IMIQC MC, Yale HIC #26504. Phase III Vehicle-controlled, Double-blind Study to Assess the Safety and Efficacy of Imiquimod Cream, 5% for the Treatment of Molluscum Contagiosum in Pediatric Subjects. Yale Children's Clinical Research Center. Richard Antaya, MD, Principal Investigator.
- 2005-2006 Fujisawa Healthcare, Inc. Protocol #20-04-002. A multicenter study to assess the impact of topical corticosteroids on the safety and efficacy of Protopic® (tacrolimus) ointment in the short term treatment of atopic dermatitis and to assess Protopic® in the long-term management of atopic dermatitis.
- 2006- Astellas Pharma US, Inc. APPLES: A Prospective Pediatric Longitudinal Evaluation to Assess the Long-Term Safety of Tacrolimus Ointment for the Treatment of Atopic Dermatitis. Yale Dermatology Associates, PC. Richard J. Antaya, M.D. Principal Investigator.

## **LECTURES, COURSES:**

### **Connecticut**

Evaluating Vesicular and Pustular Eruptions in the Neonate. Greenwich Hospital, Staff Pediatricians CME. Greenwich, CT. Feb 16, 1999

Starting From Scratch: Diseases of the Skin. New Haven area school nurses continuing education curriculum invited lecture. ACES, Hamden, CT. April 7, 1999

Starting From Scratch: Diseases of the Skin. American Academy of Pediatrics 21<sup>st</sup> Annual

School Health Conference: Critical Issues in School Health 1999. Waterbury, CT. May 6, 1999

Psoriasis, Pityriasis Rosea and Other Rashes of Childhood. Pediatric Ambulatory Lecture, Hospital of Saint Raphael. New Haven, CT. June 3, 1999

Dermatopharmacology and Common Pediatric Dermatoses. Invited lecturer. Windham Hospital. Willimantic, CT. October 5, 1999

Acne. Practical Pediatric Dermatology Seminar. American Academy of Pediatrics 1999 Annual Meeting. Washington, D.C. October 12, 1999

Psoriasis, Pityriasis Rosea and other Childhood Rashes. Practical Pediatric Dermatology Seminar. American Academy of Pediatrics 1999 Annual Meeting. Washington, D.C. October 12, 1999

Vitiligo and Alopecia Areata. Practical Pediatric Dermatology Seminar. American Academy of Pediatrics 1999 Annual Meeting. Washington, D.C. October 12, 1999

Red Flags: Cutaneous Vascular Lesions in Children. Invited lecturer. Lattanzi-Pearson Pediatric Seminar. Hospital of St. Raphael, New Haven, CT. November 15, 1999

Common Pediatric Dermatoses. Connecticut Association of School Based Health Centers Annual Conference. Foxwoods Resort. Ledyard, CT. April 7, 2000

Starting From Scratch: Diseases of the Skin. 22<sup>st</sup> Annual School Health Conference: Critical Issues in School Health 2000. Waterbury, CT. May 3, 2000

Red Flags: Cutaneous Vascular Lesions in Children. Shoreline Pediatrics Association. Mystic, CT. June 21, 2000

Starting From Scratch: Diseases of the Skin. Connecticut Chapter of Dermatology Nurses Association Annual Meeting. MidState Medical Center. Meriden, CT, October 21, 2000

Starting From Scratch: Skin Diseases of Children. Connecticut Academy of Family Physicians 2000 Scientific Symposium, Plantsville, CT, October 26, 2000

Starting From Scratch: Common Pediatric Dermatoses. New Haven School Nurses Symposium. New Haven, CT. March 21, 2001

Starting From Scratch: Diseases of the Skin. 23<sup>rd</sup> Annual School Health Conference: Critical Issues in School Health 2001. Waterbury, CT. April 5, 2001

Red Flags: When Cutaneous Vascular Lesions Are More Than Skin Deep. Connecticut Dermatology Society. Trumbull, CT, May 17, 2001

Pediatric Dermatology Update: Atopic Dermatitis. Dermatology Grand Rounds, University of Connecticut, Farmington, CT. March 5, 2003

Hyper-Immunoglobulin E Syndrome Update: A New Robe for Job? New England Dermatological Society Meeting. Yale University. Oct 25, 2003

Starting From Scratch: Common Pediatric Dermatoses. 26<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health 2004. Farmington, CT. May 6, 2004

Atopic Dermatitis: Itching to Know More. Pediatric Grand Rounds, Hospital of St. Raphael. New Haven, CT April 8, 2005.

Starting From Scratch: Common Pediatric Dermatoses. 27<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health 2005. Farmington, CT. May 11, 2005

Starting From Scratch. West Haven School Nurses Pre-School Clinical Conference. West Haven, CT. Aug 30, 2005

Starting From Scratch: Common Pediatric Dermatoses. Connecticut Dermatology Physician Assistant Society, 1st Regional CME Symposium, Foxwoods Resort Casino. Mashantucket, CT. Sept 10, 2005

Starting From Scratch: Common Pediatric Dermatoses. 28<sup>th</sup> Annual Maxwell Bogin Lectures in Pediatrics. Shelton, CT. October 5, 2005

Atopic Dermatitis. Pediatric Grand Rounds. Backus Hospital. Norwich, CT. February 16, 2006.

Atopic Dermatitis. Pediatric Grand Rounds. Lawrence and Memorial Hospital. New London, CT. March 31, 2006.

Pediatric Dentodermatology. Connecticut Society of Pediatric Dentists Quarterly Meeting. New Haven, CT. April 5, 2006.

Starting From Scratch: Common Pediatric Dermatoses. 28<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health 2006. Farmington, CT. May 18, 2006

Atopic Dermatitis. Lattanzi-Pearson Pediatric Lecture Series. St Raphael Hospital, New Haven, CT. October 23, 2006.

Red Flags: Cutaneous Vascular Lesions of Childhood. Pediatric Grand Rounds. Yale University School of Medicine. New Haven, CT. March 7, 2007.

Cutaneous Vascular Lesions of Childhood. Pediatric Grand Rounds. Bridgeport Hospital, Bridgeport, CT. July 11, 2007.

Dermatologic Unknowns: What's in a Rash. 5<sup>th</sup> Annual Yale Pediatric Update. New Haven, CT. October 19, 2007.

Red Flags: When Cutaneous Vascular Lesions are More than Skin Deep. Connecticut Organization of Neonatal Nurses Annual Meeting. Plantsville, CT. November 6, 2007.

Starting From Scratch: Common Pediatric Dermatoses. 30<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health 2008. Farmington, CT. May 15, 2008.

Starting From Scratch: Common Pediatric Dermatoses. 31<sup>st</sup> Annual School Health Conference, AAP Critical Issues in School Health 2009. Farmington, CT. May 14, 2009.

## National

A girl with multiple vulvar angiokeratomas. Society for Pediatric Dermatology, Manchester Village, VT: Sept 1996.

Pediatric dermatologic dilemmas. Current Issues in Pediatric Primary Care CME, Duke University Medical Center: Nov 1996.

Neutral lipid storage disease. Society for Pediatric Dermatology, Sun Valley, Idaho: July 20, 1997.

Cutaneous manifestations of disseminated *Mycobacterium bovis* infection and severe cutaneous herpetic infection in a Panamanian infant with SCID. Grand Rounds, Department of Pediatrics; Duke University Medical Center: November 18, 1997

Pediatric Dermatology Update. Department of Pediatrics, Tripler Army Medical Center, Honolulu, Hawaii: July 1998

Acne. Practical Pediatric Dermatology: A Course for Primary Care Providers. Duke University Medical Center CME, Durham, NC: Jan 30, 1999

Papulosquamous Disorders of Childhood. Practical Pediatric Dermatology: A Course for Primary Care Providers. Duke University Medical Center CME, Durham, NC: Jan 30, 1999

Vitiligo and Alopecia Areata. Practical Pediatric Dermatology: A Course for Primary Care Providers. Duke University Medical Center CME, Durham, NC: Jan 30, 1999

Neonatal Dermatoses. Practical Pediatric Dermatology: A Course for Primary Care Providers. Duke University Medical Center CME, Durham, NC: Jan 30, 1999

Acne. Dermatology for Non-Dermatologists. CME sponsored by Duke University, Kingston Plantation, Myrtle Beach, SC., June 17, 1999

Common Pediatric Dermatoses. Dermatology for Non-Dermatologists. CME sponsored by Duke University, Kingston Plantation, Myrtle Beach, SC., June 17, 1999

Psoriasis, Pityriasis Rosea and Other Rashes of Childhood. Dermatology for Non-Dermatologists. CME sponsored by Duke University, Kingston Plantation, Myrtle Beach, SC., June 18, 1999

Common Pediatric Dermatoses. Invited lecturer. Department of Pediatrics, Tripler Army Medical Center, Honolulu, HI. August 2, 1999

Evaluating Vesicular and Pustular Eruptions in the Neonate. Invited lecturer. Department of Pediatrics, Tripler Army Medical Center, Honolulu, HI. August 3, 1999

Diagnostic Imaging in Pediatric Dermatology. Advanced Pediatric Dermatology Symposium. American Academy of Dermatology Annual Meeting. San Francisco, CA March 14, 2000

Red Flags: When Cutaneous Vascular Lesions Are More Than Skin Deep. Advancing Children's Health 2000 (Pediatric Academic Societies and American Academy of Pediatrics joint meeting). Boston, MA. May 14, 2000

Red Flags: Cutaneous Vascular Lesions in Children. University of Tennessee's 45<sup>th</sup> Great Smoky Mountains Pediatrics Seminar. Gatlinburg, TN. June 15, 2000

Acne. University of Tennessee's 45<sup>th</sup> Great Smoky Mountains Pediatrics Seminar. Gatlinburg, TN. June 16, 2000

Pediatric Dermatology Update: Atopic Dermatitis. University of Tennessee's 45<sup>th</sup> Great Smoky Mountains Pediatrics Seminar. Gatlinburg, TN. June 17, 2000

Evaluating Vesicular and Pustular Eruptions in the Neonate. University of Tennessee's 45<sup>th</sup> Great Smoky Mountains Pediatrics Seminar. Gatlinburg, TN. June 17, 2000

Red Flags: When Cutaneous Vascular Lesions Are More Than Skin Deep. Young Leaders in Dermatology Symposium. Scottsdale, AZ, November 2, 2000

Starting From Scratch: Skin Diseases in Children. Department of Pediatrics, Tripler Army Medical Center, Honolulu, HI. December 18, 2000

Red Flags: When Cutaneous Vascular Lesions are More Than Skin Deep. Department of Pediatrics, Tripler Army Medical Center, Honolulu, HI. December 18, 2000

Balfour E, Antaya R, Lazova R: Subcutaneous fat necrosis of the newborn presenting as a large plaque with lobulated cystic areas. Poster presentation at the 4<sup>th</sup> Joint meeting of the International Society of Dermatopathology, Washington, DC. February 28- March 1, 2001

Pediatric Dermatology Update: Atopic Dermatitis. Richmond, Tidewater and Virginia Dermatology Society Combined Meeting. Williamsburg, VA. April 7, 2001

Red Flags: When Cutaneous Vascular Lesions are More Than Skin Deep. Richmond, Tidewater and Virginia Dermatology Society Combined Meeting. Williamsburg, VA. April 7, 2001

Starting From Scratch: Common Pediatric Dermatoses. West Virginia American Academy of Pediatrics Annual CME Conference and Spring Meeting. Morgantown, West Virginia. April 20, 2001

Pediatric Dermatology Update: Atopic Dermatitis. Department of Pediatrics and Dermatology, West Virginia University. Morgantown, West Virginia. April 23, 2001

Pediatric Dermatology Update: Atopic Dermatitis. Protopic Speakers Bureau Seminar, Orlando, FL. June 4, 2001

Starting From Scratch: Skin Diseases in Children. Department of Pediatrics, Tripler Army Medical Center, Honolulu, HI. July 13, 2001

Pediatric Dermatology Update: Atopic Dermatitis. Tripler Army Medical Center. Honolulu, HI. July 16, 2001

Should Children with Skin Types IV and V Use Sunscreen? The Dermatologic Society of Greater New York. Lenox Hill Hospital. New York, NY. December 6, 2001

Pediatric Dermatology Update: Atopic Dermatitis. Tidewater Dermatology Society Meeting, Norfolk, VA. December 11, 2001.

Pediatric Dermatology Update: Atopic Dermatitis. New Jersey Dermatology Society Meeting, Norfolk, VA. February 12, 2002.

Pediatric Dermatology Update: Atopic Dermatitis. Pittsburgh Academy of Dermatology Meeting, University of Pittsburgh. Pittsburgh, PA April 18, 2002

Pediatric Dermatology Update: Atopic Dermatitis. Florida Society of Dermatology Annual Meeting, Palm Beach, FL. June 30, 2002

Red Flags: When Cutaneous Vascular Lesions Are More Than Skin Deep. Department of Pediatrics, Tripler Army Medical Center, Honolulu, HI. August 2, 2002

Pediatric Dermatology Update: Atopic Dermatitis. West Virginia Dermatology Society Annual Meeting, White Sulphur Springs, WV. August 23, 2002

Red Flags: When Cutaneous Vascular Lesions Are More Than Skin Deep. West Virginia Dermatology Society Annual Meeting, White Sulphur Springs, WV. August 24, 2002

Pigmented Lesions: Recognition and Management. *Meet-the-Expert Discussion*. Annual Meeting of the American Academy of Pediatrics, Boston, MA. October 19, 2002

Practical Pediatric Dermatology. *Seminar*. Annual Meeting of the American Academy of Pediatrics, Boston, MA. October 19, 2002

Practical Pediatric Dermatology. *Seminar*. Annual Meeting of the American Academy of Pediatrics, Boston, MA. October 20, 2002

Beyond Atopic Dermatitis: Off Label Uses of Tacrolimus. Dr. Harry Fox & ODA Co-Founders Lecture. 19<sup>th</sup> Annual Meeting of the Ohio Dermatological Association, Columbus, OH. November 23, 2002

Pediatric Dermatology Update: Atopic Dermatitis. Pediatrics Grand Rounds, New York Medical College, Valhalla, NY. January 29, 2003

Pediatric Dermatology Dilemmas. 37<sup>th</sup> Annual Uniformed Services Pediatric Seminar (USPS). Washington, DC. March 16, 2003

Infantile Acne or Unusual Organoid Nevus. Cases in Search of Diagnosis Discussant. Society for Pediatric Dermatology Pre-AAD Meeting, San Francisco, CA. March 20, 2003

Cutaneous Manifestations of Immunodeficiency Syndromes. Pediatric Dermatology Symposium. American Academy of Dermatology Annual Meeting, San Francisco, CA. March 22, 2003

Red Flags: When Cutaneous Vascular Lesions Are More Than Skin Deep. Department of Dermatology, University of Minnesota. Minneapolis, MN. May 9, 2003 (visiting professor)

Pediatric Dermatology Update: Atopic Dermatitis. Department of Dermatology, University of Minnesota. Minneapolis, MN. May 9, 2003 (visiting professor)

Pediatric Dermatology Update: Atopic Dermatitis. Pediatric Grand Rounds. Baystate Medical Center (Tufts University) Springfield, MA. May 13, 2003 (Ray Kroc visiting professor)

Evaluating Vesicles and Pustules in the Neonate. Neonatal Rounds. Baystate Medical Center (Tufts University) Springfield, MA. May 13, 2003 (Ray Kroc visiting professor)

Starting from Scratch: Common Pediatric Dermatoses. Dept of Pediatrics, Baystate Medical Center (Tufts University) Springfield, MA. May 14, 2003 (Ray Kroc visiting professor)

Acne. Dept of Pediatrics, Baystate Medical Center (Tufts University) Springfield, MA. May 14, 2003 (Ray Kroc visiting professor)

Red Flags: When Cutaneous Vascular Lesions Are More Than Skin Deep. Dept of Pediatrics, Baystate Medical Center (Tufts University) Springfield, MA. May 15, 2003 (Ray Kroc visiting professor)

Cutaneous Signs of Systemic Disease in Children. Department of Pediatrics, Baystate Medical Center (Tufts University) Springfield, MA. May 15, 2003 (Ray Kroc visiting professor)

Self-Healing Juvenile Cutaneous Mucinosis? Cases in Search of Diagnosis. Society for Pediatric Dermatology Annual Meeting. Seattle, WA. June 20, 2003. (faculty advisor for Julie Schaffer, MD, presenter)

Starting From Scratch: Common Pediatric Dermatoses. Department of Pediatrics, Tripler Army Medical Center. Honolulu, HI. July 31, 2003.

Red Flags: When Cutaneous Vascular Lesions Are More Than Skin Deep. Young Leaders in Dermatology Symposium. Tucson, AZ. November 6, 2003.

Calcinosis cutis as a complication of the intravenous administration of calcium gluconate. Jeremy Moss, MD PhD, Richard Antaya, MD and Rossitza Lazova, MD. American Academy of Dermatology Annual Meeting. Washington, DC. Feb 7, 2004

Tacrolimus ointment is More Effective Than Pimecrolimus Cream With a Similar Safety Profile in the Treatment of Atopic Dermatitis. Tacrolimus Ointment vs. Pimecrolimus Cream End of Study Meeting. Fujisawa Healthcare, Inc. Dallas, TX. May 1, 2004

Milia-like Idiopathic Calcinosis Cutis. discussant and section moderator: *Cases in Search of Therapy*. Society for Pediatric Dermatology 2004 Annual Meeting, Charleston, SC, June 19, 2004

Tacrolimus ointment is more effective than pimecrolimus cream with a similar safety profile in patients with atopic dermatitis. *Poster presentation*. Society for Pediatric Dermatology 2004 Annual Meeting, Charleston, SC, June 18, 2004

Hot Topics in Pediatric Dermatology. Department of Pediatrics, Tripler Army Medical Center. Honolulu, HI. August 2, 2004

Pediatric Dermatology Update: Atopic Dermatitis. Department of Pediatrics, Tripler Army Medical Center. Honolulu, HI. August 3, 2004

Hot Topics in Pediatric Dermatology. Department of Dermatology, University of Minnesota, Minneapolis, MN. Visiting Professor and Guest Lecturer. November 9, 2004

The Role of Physical Barriers. Controversy 5: Sun protection in children, Pros and cons. IX World Congress of Pediatric Dermatology, Cancun, Mexico. October 22, 2001

Should Children with Skin Types IV and V Use Sunscreen? Controversy 5: Sun protection in children. Pros and cons. IX World Congress of Pediatric Dermatology, Cancun, Mexico. October 22, 2001

Tacrolimus ointment is more effective than pimecrolimus cream with a similar safety profile in patients with atopic dermatitis. (Poster presentation). World Congress of Pediatric Dermatology. Rome, Italy, July 8, 2004

Randomized comparative trials of tacrolimus ointment and pimecrolimus cream for atopic dermatitis. Scientific session. Latin-American Protopic Launch meeting. New Orleans. February 17, 2005.

Meet the Experts Session: Pediatric Use of Tacrolimus Ointment. Kuala Lumpur, Malaysia. September 29, 2005.

Atopic Dermatitis in Children – “Special Issues”. 7<sup>th</sup> Asian Congress of Dermatology incorporating 5<sup>th</sup> Regional Conference of Pediatric Dermatology. Plenary session. Kuala Lumpur, Malaysia. September 30, 2005.

Treating Atopic Dermatitis with Tacrolimus. 7<sup>th</sup> Asian Congress of Dermatology incorporating 5<sup>th</sup> Regional Conference of Pediatric Dermatology. Topical calcineurin inhibitor symposium. Kuala Lumpur, Malaysia. September 30, 2005.

Year in Review: Dermatology. Society for Pediatric Dermatology 32<sup>nd</sup> Annual Meeting, Montreal, Canada, July 8, 2006.

Bandera roja: cuando las lesiones vasculares cutaneas son mas profundas. XXVI Congreso Colombiano de Dermatologia. Cartagena, Colombia. November 5, 2006.

Temas importantes en dermatologia pediatrica. XXVI Congreso Colombiano de Dermatologia. Cartagena, Colombia. November 5, 2006.

Avances en dermatologia – Dermatitis atopica. XXVI Congreso Colombiano de Dermatologia. Cartagena, Colombia. November 5, 2006.

Tacrolimus ointment is more effective than pimecrolimus cream with a similar safety profile in the treatment of pediatric patients with atopic dermatitis previously treated with topical corticosteroids. (Poster presentation). World Congress of Dermatology. Buenos Aires, Argentina, October 4, 2007.

What can be learned from head-to-head trials of tacrolimus vs. pimecrolimus? World Congress of Dermatology. Buenos Aires, Argentina, October 3, 2007.

Pediatric Dermatology Update. 39<sup>th</sup> Annual Meeting of the Danish Dermatology Society. Vejle, Denmark, January 24, 2008.

Significado de las vesiculas y pustules en la piel neonatal (*Evaluating Vesicles and Pustules in the Newborn and infant*). XII Congreso Peruano de Dermatologia (Peruvian Dermatology Society Meeting). Arequipa, Peru. August 28, 2008

Tratamiento de verrugas recalcitrantes (*Alternative Therapies for Warts*). XII Congreso Peruano de Dermatologia (Peruvian Dermatology Society Meeting). Arequipa, Peru. August 28, 2008

Tratamiento alternativo par alas formas recalcitrantes (*Alternative Therapies for Recalcitrant Atopic Dermatitis*). XII Congreso Peruano de Dermatologia (Peruvian Dermatology Society Meeting). Arequipa, Peru. August 29, 2008

Lesiones vasculares profundas: Asociaciones Sistemicas y Complicaciones (*Red Flags: When Cutaneous Vascular Lesions are More than Skin Deep*). XII Congreso Peruano de Dermatología (Peruvian Dermatology Society Meeting). Arequipa, Peru. August 29, 2008

The safety and efficacy of tacrolimus ointment versus pimecrolimus cream in the treatment of patients with atopic dermatitis previously treated with corticosteroids: a subset analysis of 3 multicenter, randomized, blinded, therapeutic trials. (poster presentation # FP0074). Jaracz E, Kirsner RS, Heffernan MP, Antaya R. 17<sup>th</sup> EADV Congress. Paris, France September 17-21 2008.

A 7-year-old ecuadorian boy with a cryptic polymorphous cutaneous eruption with prominent varioliform scarring. Oral presentation International Society for Dermatopathology (CHECK CITATION) Eleanor Knopp, Richard Antaya, Antonio Subtil, Jennifer McNiff, Melinda Jen, Mary Chang, Anjela Galan.

## **PROFESSIONAL SERVICE:**

- 1993-95 Risk Management Committee, BJACH, member
- 1993-95 Family Advocacy Case Management Team, Ft Polk, LA, member
- 1994-95 Chairman, Medical Records Review Committee, BJACH
- 1998- Director, Dermatology Didactic Course, Yale Physician Associate Program
- 1998- Lecturer, Yale University Graduate School of Nursing, APRN program
- 1999- Director, Dermatology Clinical Elective, Yale Physician Associate Program
- 2000- Medical Director, Yale Dermatology Associates, P.C., New Haven, CT
- 2001- Director, Medical Compliance Committee, Yale Dermatology Assoc., New Haven, CT
- 2001-2003 Advisory Board, Yale Children's Clinical Research Center
- 2003 Content Review Committee, *Yale Medical Group Pediatric Dermatology website*
- 2004 Website Committee, Society of Pediatric Dermatology
- 2004-2008 Editorial Board, *Journal of the American Academy of Dermatology*
- 2004-2007 Faculty Captain, Department of Dermatology, Yale University United Way Campaign
- 2005-2006 Vice Chair, Connecticut, Leaders Society, Dermatology Foundation
- 2001- Peer Reviewer for JAAD, J Pediatr, Arch Derm, Pediatr Dermatol, Pediatr Inf Dis J, Am J of Clin Dermatol
- 2006- Dermatology Consultant for TROPIC (TRading Of Pediatric International Cases)
- 2006-2009 Editorial Board, Pediatrics in Review (dermatology)
- 2007-2009 Worldwide Data Safety Monitoring Board (DSMB) for Elidel cream (Novartis pharmaceuticals)
- 2008- Editorial Board - Reports in Dermatology, Karger Publishers *on-line dermatology journal*
