## **General Student Grievance Procedure**

This procedure governs any case in which a student has a complaint, including but not limited to a complaint on the basis of race, sex, ethnicity, religion, or disability. The student may submit a letter to the Associate Dean for Student Affairs describing the complaint and the facts on which it is based, specifying the issue in question and indicating what resolution of the grievance is sought. Depending upon the nature of the issue, the Associate Dean may refer the matter to the Dean, the Division or Program Head, or the Committee on Academic and Professional Integrity.

## **Provost's Procedure for Student Complaints**

This procedure governs any case in which the student has a complaint against a faculty member or an employee who is not a member of the YSPH community. This procedure is also to be used for all complaints of discrimination on the basis of a handicap where structural modification of University facilities is the remedy sought.
