

Block Training Schedule for Pediatric Critical Care Fellows

Year of Training	PICU Daytime Service* (months)	PICU Cross Cover Night Call* (months)	Anesthesiology (months)	Cardiology** (months)	Cardiac Catheterization Lab (months)	Research/ Electives/ Time Off[§] (months)
<i>First</i>	6	1	1	1	1	2
<i>Second</i>	4	5				3
<i>Third</i>	3	4				5

These numbers represent the *maximum* number of months fellows will be on PICU Daytime Service or Cross Cover Night Call. Because it is common to have fellows from other services rotating in the PICU, actual months on service and cross cover may be less.

* Every fourth night on call.

** Night call as per Cardiology Service.

§ Call free months.
